

## About Us

### Our Philosophy

Dental care is not just a mouthful of toothpaste! With proper comprehensive professional care, you can expect to keep your teeth for a lifetime. At Northern Plaza Dental Care, our proactive approach ensures you the highest standard of personalized dental care in a gentle, efficient, and professional manner.

With an emphasis on lifetime prevention, our dental practice offers you the convenience of comprehensive quality dental care in one location. We are dedicated to the total dental health for your entire family. We provide a full range of services including preventive, cosmetic, restorative, orthodontic, and surgical procedures.

Quality healthcare is more than just excellent clinical skills and state of the art equipment. Establishing long lasting relationships with our patients, based upon mutual trust and open communication, is important to our success in exceeding your expectations. Working as a team, you can have the smile you always wanted in a friendly, comfortable, and affordable setting.

Ultimately, our goal is to optimize your dental health and enhance your quality of life so that you may eat and speak with confidence while looking your very best.

### Our Commitment to Optimum Care and Service

At Northern Plaza Dental Care, we pride ourselves on crafting beautiful, brilliant smiles, all one at a time. Since your overall smile is affected by a myriad of factors, it may be necessary to incorporate a number of techniques to achieve the results you desire. Each smile is custom designed to enhance your overall appearance and allow you to look good, feel good, and live well.
