

Why Northern Plaza Dental Care?

We listen

Have you ever felt ignored when you went to a dental lab or dental practice? We understand that feeling! Dr. Davantzis and his staff make it a daily commitment to listen to your needs .

We're gentle

Modern dentistry and lab technologies can be surprisingly pain – free . Dr. Davantzis and his staff take their time to be gentle and careful – something we always do .

Your best care is our focus

Dr. Davantzis and his staff tailor our procedures to provide the dental care that best addresses your overall dental health.

Patient Education

Dr. Davantzis and his staff will take the time to thoroughly explain all procedures and necessary treatment before services are rendered. In this way, the fear of the unknown is completely eliminated, thereby decreasing your anxiety and making for a more pleasant visit.
